

Chronicles of Gilderam, Book One: Sunset

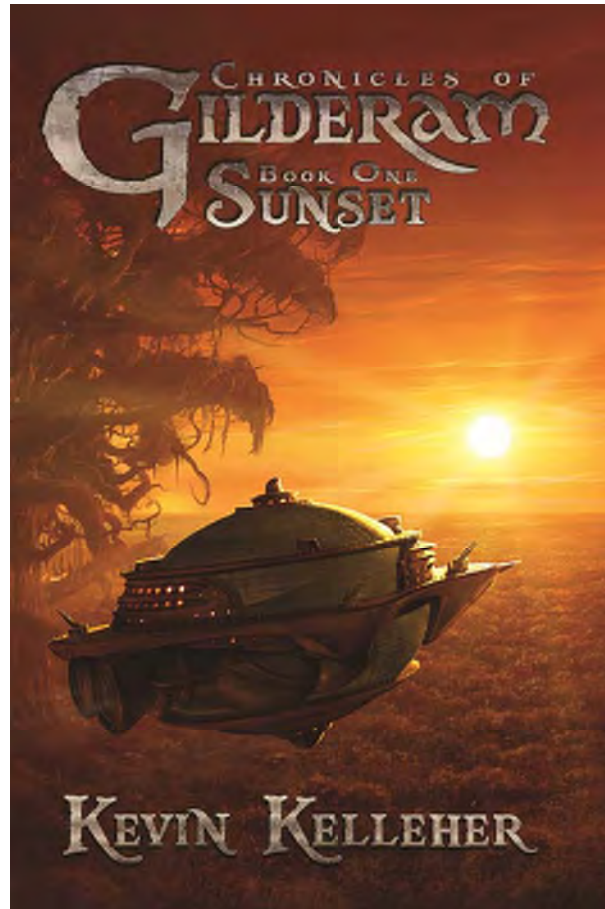

is the first installment of the **Gilderam Trilogy** – the new high-flying adventure story by Kevin Kelleher.

Classical fantasy gets a sweeping upgrade in sophistication with this heart-pounding steampunk tale.

The half-elf daughter of a reclusive inventor gets sidetracked en route to her own wedding when mafia terrorists attempt to hijack her vessel, *Gilderam*.

Things only get worse when her bodyguard turns out to be a wanted man – to be executed on sight – and her father is abducted in the night.

On top of it all, an ominous religious prophecy portends the nearing end of the world, and *Gilderam* looks like it might be the only ship able to stop it.

Author, composer, playwright, and actor **Kevin Kelleher** delivers his debut novel with no holds barred.

Released in January 2013, **Gilderam** is filled to the brim with high-altitude action and showcases Kelleher's ability to spin a tight story with masterful pacing that keeps the pages turning.

Contact Kelleher to schedule a stop along his Iowa Book Tour in February 2013, and he'll donate a free copy of his book to your venue!
